General Information

LOCATION—The sale will be held in the Livestock Sale Pavilion, Madison County Fair Grounds, at London, Ohio, on Monday, November 7, 1949, beginning at 12:30 P. M. E.S.T. London is on U.S. 42, four miles southwest of its intersection with U.S. 40. It is 35 miles southwest of Columbus.

GUARANTEE—The guarantee recognized by the American Shorthorn Breeders' Association will cover the cattle sold in this sale. All cattle are sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd under 20 months of age. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over fourteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

CONTRACT—The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Clerk of the Sale, nor the Association nor its Officers assume any liability, legal or otherwise.

TERMS—The terms of the sale are cash unless arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

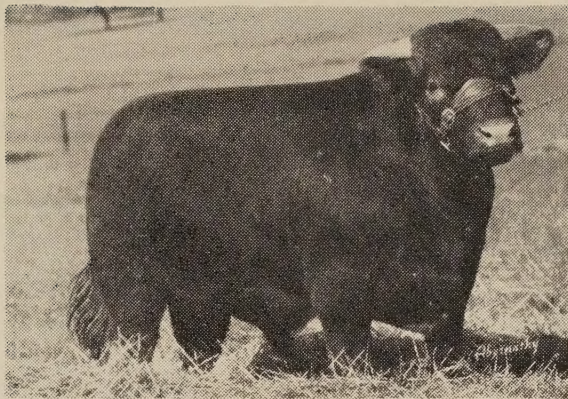

REGISTRATION—A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

FOOTNOTES—Where footnotes appear in this catalog, they were furnished by the consignors or were written from information supplied by the consignors.

NO LIABILITY—The South Central Ohio Shorthorn Breeders' Association, its officers, and its employes will not be responsible for any accidents that may occur, but every effort will be made to provide for the safety and comfort of guests.

MAIL BIDS—Those wishing to buy who are unable to attend may send their bids to Stanley Perkins, American Shorthorn Breeders Association, 7 Dexter Park Ave., Chicago, Illinois; Ed Huff, Shorthorn World, 16 South Locust St., Aurora, Illinois, or to the Secretary.

LUNCH—Lunch will be served on the grounds.

Clay Hills Consignment

Mr. Carl H. Stander writes concerning his consignment, the three bulls following, Lots 4, 5, and 6, and his two females, Lots 32 and 33: They are all dark red, and of the best pedigrees we have been able to obtain. We do not hesitate to recommend them to anyone starting a new herd, or for replacements. All are by Oakfield Air Control, whose sons and daughters have produced better calves than their dams, thus being proved improvers. Several of their calves stood well up in open competition at the recent Ohio State Fair.

"All are vaccinated for Bang's disease and the herd is federally accredited for T. B. We think they will compare favorably with your usual good offerings in the London Sale.

A good Canadian bred young cow that sells with a roan September 4 bull calf at foot by Edellyn Royal Leader 77th. This youngster looks at present like he might be able to make a touchdown. A grandson of Edellyn Royal Leader is the champion bull so far this year.

This good cow, the product of six generations of the breeding of G. M. Roudebush, Cincinnati, Ohio, is thin, because she has been busy producing calves for more than the lifetime of most cows. She always has a good calf, is a good milker, and sells open with a roan heifer calf at side, by Divide Bombardier. This cow and calf may be the bargain of the sale.

Raphoe Farms Consignment

The three heifers presented in Lots 26, 27, and 28, following are three quarter sisters, all of the same type and all having dams of the same type. Their dams are all calf-a-year cows and all are good milkers. All are of breeding age and sell open. They are calfhooed vaccinated for Bang's, after clean pretests. They present to the beginner or to any smart cattleman a rare opportunity to produce uniformity on his first cross.
